

Unil
UNIL | Université de Lausanne

university of Lausanne

The University of Lausanne is a Swiss state university composed of seven faculties where approximately 13,000 students and 2,800 researchers work and study.

UNIL is focused on Life Sciences, Geosciences, Environment, Business, Medicine, Humanities and Social Sciences. UNIL is a research-intensive university which encourages interdisciplinarity. It is renowned for its innovative teaching methods.

The University of Lausanne is situated at the heart of the French-speaking region of Switzerland, in the centre of Western Europe – close to France, Germany, Italy, and Austria. It pursues an active policy of collaboration at both local and international levels.
