The courses listed as LLB+JD are elective courses, which are open to both LLB (undergraduate) and JD (postgraduate) students. In effect, they attend the same class. The courses listed as LLB/JD are compulsory courses. For these courses, the LLB and JD students are segregated. Unless otherwise indicated, all courses are the equivalent of 1 SMU course unit.

Please note of course that course offerings, even for core courses, vary from year to year and the list for next (and subsequent) years may be slightly different. There should be at least 10 courses that will meet the Themis requirements that will run every fall. Although we will endeavour to cater to each student's selection of courses --- due to limited slots in each course, competition for seats and our small class size --- we cannot ensure that they will get the courses of their first choice. Please remind your students that they should bid for the courses in the manner that they will be briefed on when they come to SMU. They should not approach faculty directly to request to enter courses or demand to take a course (e.g. by claiming that the course is a *mandatory* one).
