

# Studies abroad in Venezuela

A big adventure in one of the most  
beautiful countries of South America

# Caracas, your hometown for the next several month...

The Venezuelan capital is not the most beautiful city in Latin America, but there are a lot of things to discover!

# Don't forget to enjoy your stay during your studies in Caracas!

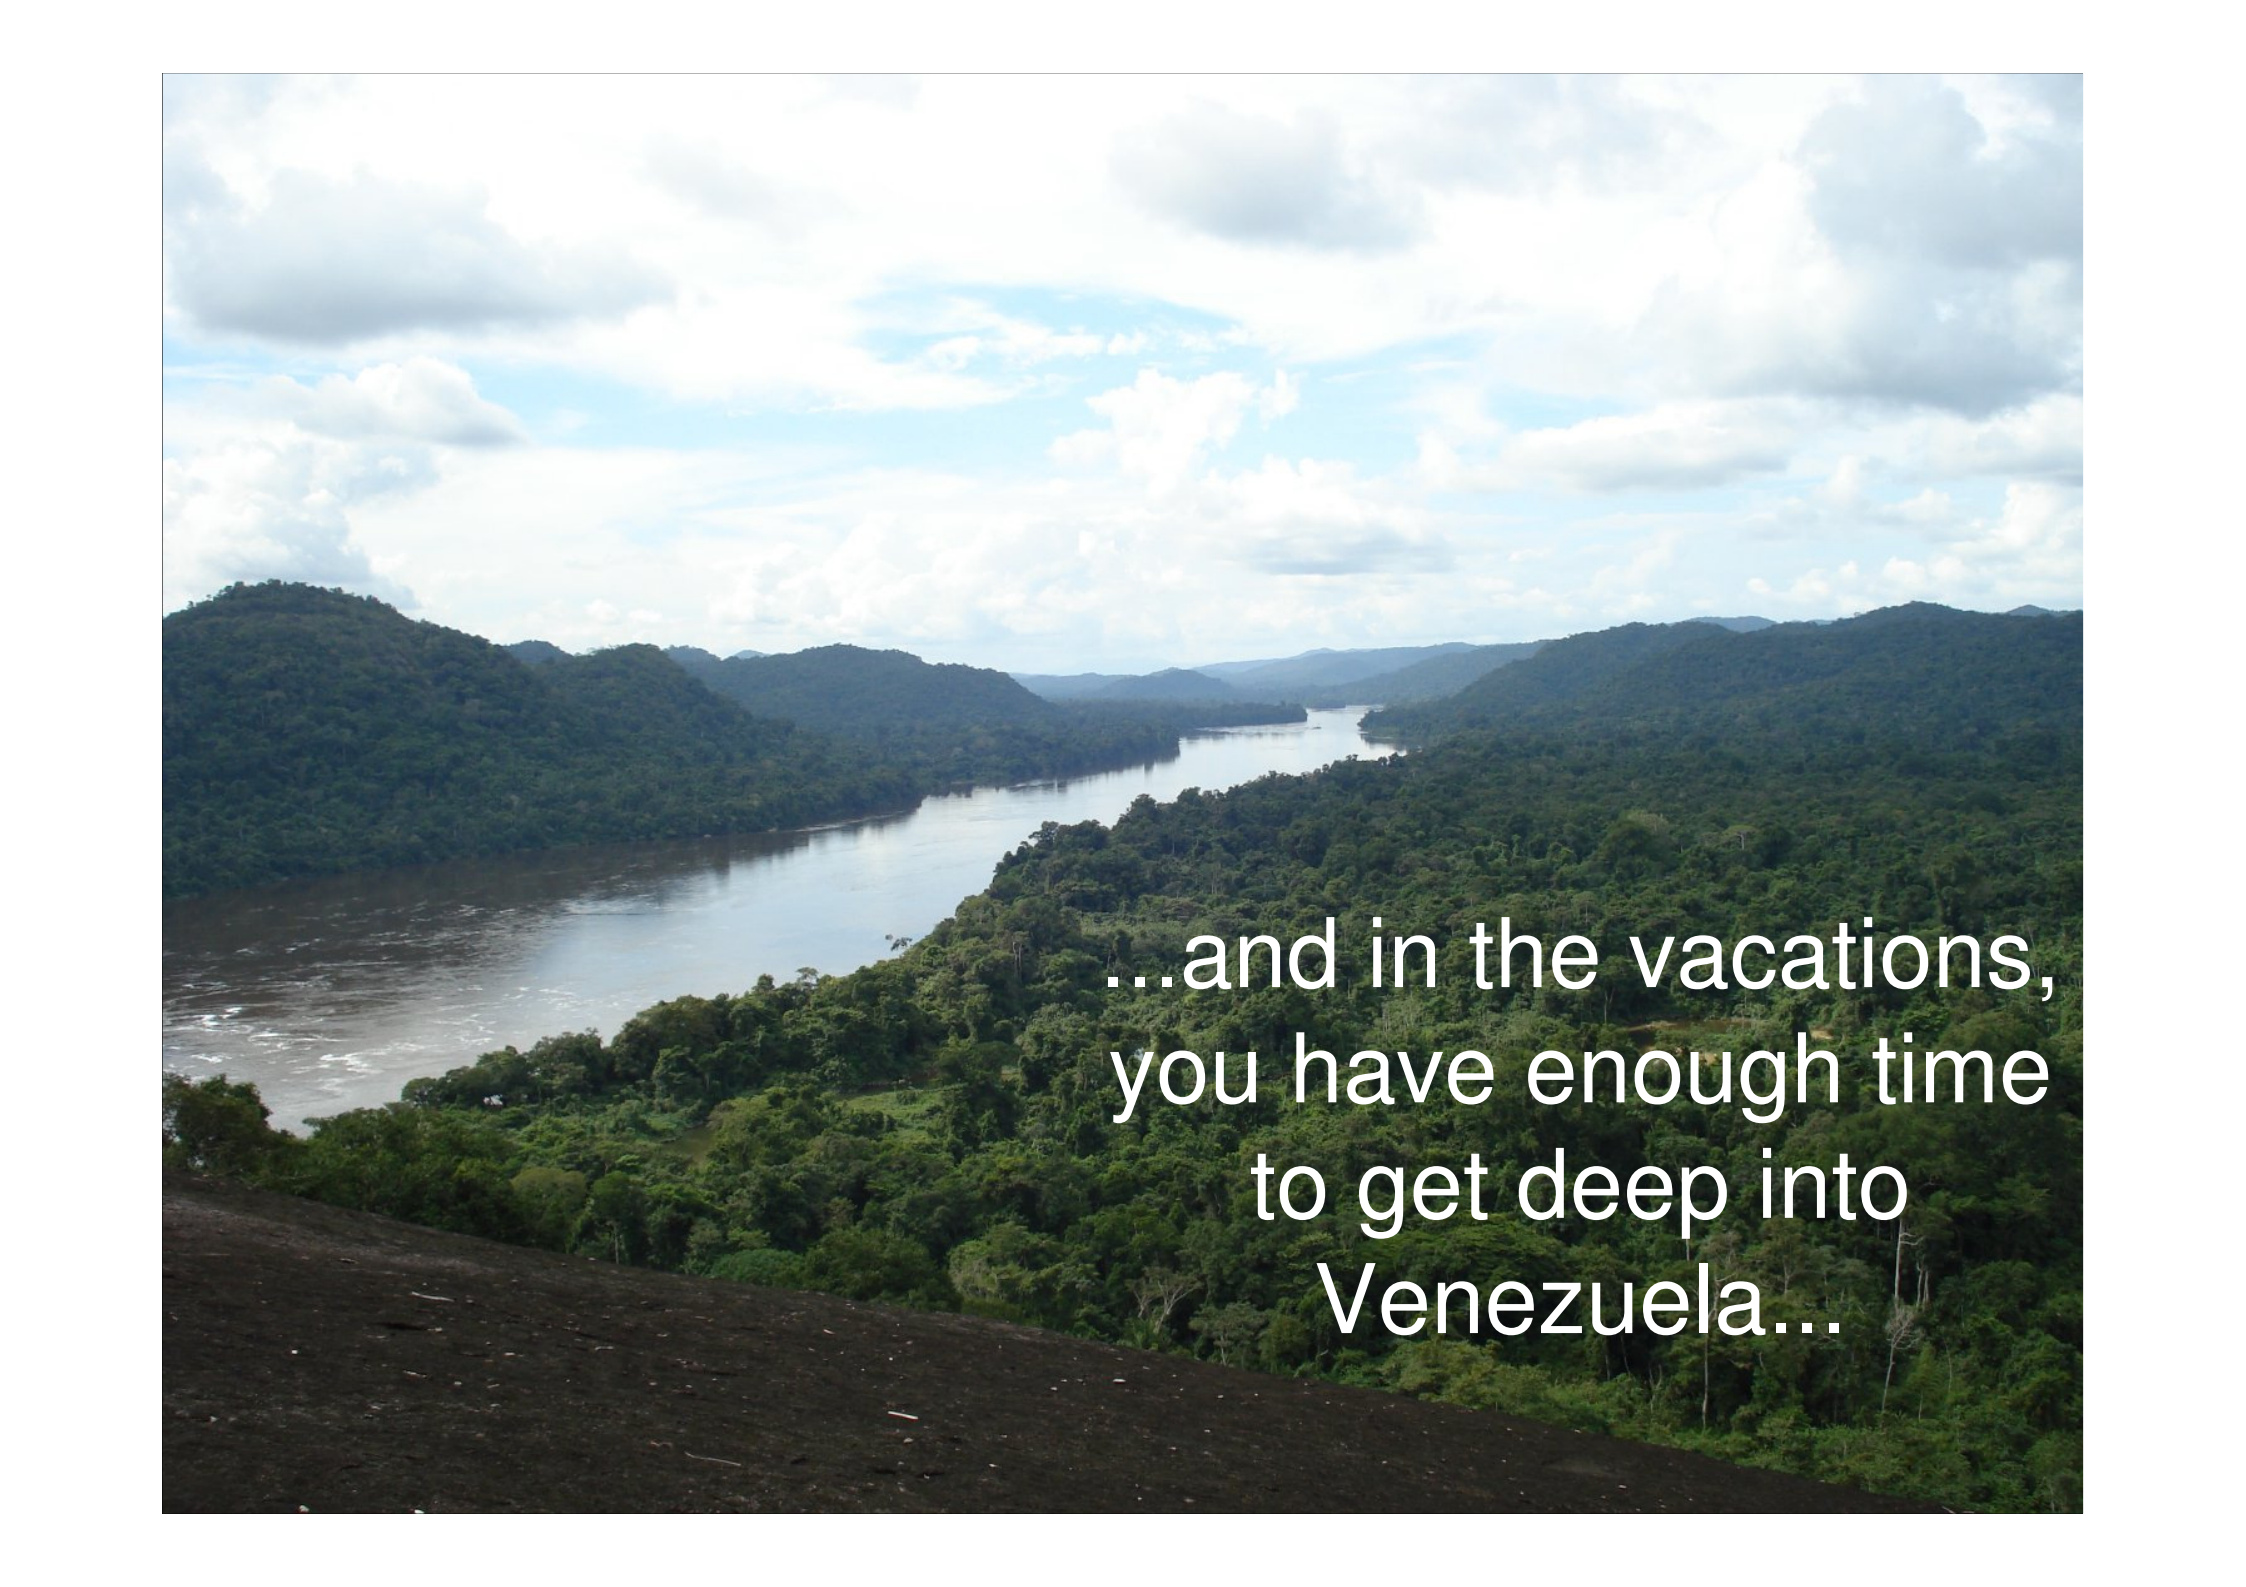

This country is too interesting to stay the whole time behind your desk or in the library...

Try to feel the spirit of Alexander von Humboldt, take your backpack and discover the amazing beauties this country has to offer!

Sometimes, you need  
only a weekend to visit  
incredible places...

...and in the vacations,  
you have enough time  
to get deep into  
Venezuela...

...you can see an awesome wildlife...

...and great places!

All that you have in one  
country!!

Have a great time  
in

But be careful, don't get lost in  
Henry Pittier National Park...😊
