

THEMIS COURSES

2025-2026 - Fall Semester

THEMIS REQUIREMENTS

Themis students are required to take and enroll in **at least 30 credits** worth of courses and pass at least 24 exam credits during the semester abroad. Courses must be selected from a narrow list of Themis accredited courses;

Themis students are allowed to select one course (up to 6 credits) outside of the Themis list, as long as the course is open to incoming exchange students. Themis students who do not respect the Themis program study plan requirement will be required to change their study plan.

COURSE SELECTION

Course selection will run from August 21 to 26, 2025 and courses are assigned on a first-come first-served basis. Classes will start on September 4, 2025. Students will have the possibility to change their study plan during the Add/Drop period September 9-16, 2025 (upon courses availability). After the deadline (September 16, 2025) changes (add/switch/drop) are not allowed.
