Exchange at Luiss

Who can apply?

If your university has a bilateral agreement with Luiss Guido Carli (under the Erasmus+ Program or another exchange agreement), you can apply through the International Office of your Institution. The first thing to do is to contact the coordinator at your home university.

If your university does not have an exchange agreement with Luiss:

You can enroll in individual courses (*corsi singoli*). In this case, you have to pay a fee of €1,300 for each course. In order to enroll, please read the information available on the website and contact the Student Office (*Segreteria Studenti*): ammissione@luiss.it

You can also enroll for a full degree program. To enroll, please read the information available on the website and contact the Student Office (*Segreteria Studenti*): ammissione@luiss.it

Things you should know

By the end of January of every academic year, we send all our partners updated materials, application procedures and documents for exchange students. You should ask the coordinator of your university for the following information and Luiss application documents:

- The registration and application steps for exchange students 2024-2025
- The 2024-2025 academic calendar.
- The 2024-2025 fact sheet.
- Information on how to get accommodation at Luiss and the application form for housing.

Read the instructions carefully before you apply.

Search our web site from time to time: pages are updated when new information is available. Check the web pages of Luiss Professors (under Search for courses) for detailed information about courses.

Luiss offers extensive Italian language courses in both semesters to exchange students. The courses are at three levels (beginner, intermediate and advanced) and they are free of charge.

At Luiss the languages of instruction are Italian and English. Information about the degree programs taught entirely in English can be found on our website.

Luiss language requirements for exchange students

Luiss student exchange agreements are based on mutual trust in selecting students and language proficiency certified by each home institution.

Students selected for an exchange should be proficient in the language of instruction at the host university. With **most of our partners** we have agreed that language proficiency will be certified by each home university, confirming that the level is adequate.

Students will not be required to submit the results of an official language test for the exchange program.

From our partner universities with whom we have not agreed on a language certificate waiver we will require proof of language proficiency for English and/or Italian to study at Luiss.

Non-native speakers of English or Italian should provide the following proof of proficiency:

<u>For Italian</u>	<u>For English:</u>
	IELTS score a minimum of 6 TOEFL IBT score a
Bachelor and Master	minimum of 78/80
Level	Cambridge – B2 First
A minimum of B2	- grade B
according to the CEFR	Cambridge – C1 Advanced - grade C
Italian language proficiency can be certified by home university.	IELTS and TOEFL must be valid, they expire after two years.

Steps to apply

First step: nomination

If you have been selected to study at Luiss as an exchange student, **first of all you must be nominated by your home university (nomination deadline: 8 May for both I and II semester)**

Second step: registration

After being nominated by the home university, exchange students will receive an e-mail with an access code (token) and instructions to register in our on-line Web Self-Service Platform. Students must register to the Web Self-Service (**registration deadline: 15 May**)

Enter the access code, first name, last name and date of birth. The information entered must match the data we received from home university.

If registration is successful, students will be allowed to login to the system using the newly assigned username and password. We recommend saving this page, print it, or note down the credentials for future use (a copy will also be sent to the students e-mail address).

By logging into the system students will be able to proceed to the next step.

Third step: application

From the Web Self-Service user page, in the left-hand pane, students should click on Study abroad > Application Form for Incoming students (Erasmus/Exchange).

Students will have to upload a scan of the following (we suggest preparing scans in this phase):

- A recent photograph (35x40mm, max 5MB, in jpeg, jpg, bmp or pjpeg). *
- ID card (for Schengen countries) or passport for non-EU students. *
- Updated transcript of records in English. *
- Language certificates (if required, check with home university).
- You can apply for housing through the Luiss Accommodation Office – you will find the link to the form while filling out your application to Luiss.

Acceptance letters

Application deadline for II semester

ESN Roma Luiss

From the beginning of June, as soon as application forms are processed, Student Mobility will send the incoming students an acceptance letter and practical information via e-mail.

Please note that Luiss does not accept a second round of selected students for the II semester (Spring), after the summer.

Very few exceptions can be made, and they have been agreed on with the partners involved.

This is section of one of the biggest interdisciplinary student associations in Europe: the **Erasmus Student Network (ESN)**.

The volunteers who created and are running this section are proudly committed to the social and practical integration of international students coming to **Luiss University** and are actively working under the ESN mission's principle **"Students helping students"**.

The goal of the association is to make each exchange student's time in Rome and at Luiss University unforgettable by supporting diversity, promoting an international outlook, and involving the students in many activities. ESN also provides relevant information and encourages future exchange students to gain international experience and insight into different cultures.

Visa and permit of stay for non-Schengen citizens

Non-Schengen citizens should go to the Italian diplomatic offices (embassy or consulate) and apply for a Study Visa as soon as they receive their letter of admission from Luiss Guido Carli University.

If you are unsure whether you need a visa to enter Italy, please visit:

<https://vistoperitalia.esteri.it/home/en>

There is a list of Italian embassies and consulates on the Ministry of Foreign Affairs website:

<http://www.esteri.it/MAE/EN/Ministero/LaReteDiplomatica/Ambasciate/default.htm>

Within eight days from arrival, students must apply for a permit of stay. To do so, they must bring:

- The acceptance letter
- A declaration of sufficient means of support
- An original bank statement
- Private health insurance valid in Italy (**please note** that private insurances from home countries are not accepted at the *Questura*, unless an official document from the Italian embassy or consulate for the home country states the insurance's validity)

Detailed information on how to apply for a permit of stay will be given upon your arrival.

Insurance

All exchange students are required to have an insurance policy (translated in Italian) covering medical care and third-party liability, valid on the national territory for a year or for the period of stay in Italy. For students from countries that are members of the European Union some medical costs are generally covered by their national health service. All European students should have the European Health Insurance Card – EHIC.

Public transportation

Rome has an integrated public transport network operated by the companies ATAC – Cotral – FS- Ferrovie dello Stato. The system includes a network of metro, bus, tram and metro-type rail service.

Bus and tram services (ATAC) cover the center of the city and the suburbs. They operate from 5:30 am to 12:00 pm. Night bus service is available from midnight to 5:30 am. Night busses are recognized by the number followed by the letter N (*notturmo*).

There are three metro lines, A, B and C which connect extra urban and peripheral zones with the center.

- Metro line A runs from Battistini Station, situated northwest of the city, to Anagnina Station in the southwest. Trains circulate from 5:30 am to 11:30 pm (until 1:30 am on Fridays and Saturdays).
- Metro line B runs from Rebibbia station, situated north-east of the city, to Laurentina Station to the south. Trains circulate from 5:30 am to 11:30 pm (until 1:30 am on Fridays and Saturdays).
- Metro line C runs from Parco di Centocelle station to Monte Compatri-Pantano Station to the south. Trains circulate from 5:30 am to 23:30 pm.

The only station where you can transfer from line A to line B is Termini Station.

A shuttle train called the Leonardo Express, leaving every 30 minutes (from 6:37 am to 11:37 pm) links Fiumicino International Airport with Termini Central Station. The price of the ticket is €14 for one ride.

For information about bus and tram service (ATAC) you can call the number +39 06 57 003 or check the website www.atac.roma.it. Information can also be found in Tuttocittà, a street map which is issued annually along with Rome telephone directories.

You can also ask at any tourist information stand for a free map of the transportation network.

Taxis

Single tickets (€ 1.50) allow you to use all means of public transportation within the metropolitan area of Rome for up to 100 minutes.

Monthly passes cost €35 and last for the calendar month, so we recommend buying them at the beginning of the month.

NB Single or monthly tickets must be bought before boarding the bus. They can be purchased at ATAC kiosks (check them on this website: <https://www.atac.roma.it/en/utility/sales-channels/ticket-offices>), *newsstands*, *tabacchi* (tobacco shops) or from automatic ticket machines. Single tickets must be validated when you begin your journey.

Validation machines are located at the rear of buses and trams, at the entry gates of metro stations and within the entrance area of all rail stations.

Taxis in Rome are quite expensive; charges vary by distance, time of day and extra charges (*supplementi*).

A taxi is, however, the easiest form of transportation for students arriving in Rome at Fiumicino International Airport (average fare about €50).

To order a taxi call +39 06 35 70 /
+39 06 39 70 / +39 06 58 70 /

Money

On January 1st, 2002, the Euro was introduced as legal currency in Italy, substituting the Italian *Lira*.

Banks are usually open from Monday to Friday from 8:30 am to 1:00 pm and from 2:45 pm to 3:45 pm. If you wish to open a bank account in Italy, you will first have to obtain your *Codice Fiscale* (taxpayer’s code number).

Credit cards are widely accepted in restaurants, hotels, railway stations and shops.

We recommend that students bring along a sufficient amount of Euros or travelers checks to cover immediate necessities (keep in mind that there are considerable delays involved in transferring money to Italy from abroad!)

Cost of living

- Housing & Utilities**
Shared Room: €450
Single Room: €500-800
Studio: €700-1300
Utilities: €60 (if sharing the expenses with 2-3 flat mates)
- Groceries**
Food and household items: €100-150 per month
- Leisure**

Accommodation

Student Mobility does not take direct responsibility for providing accommodation. The Luiss Accommodation office takes care of it based on the web application forms received (by the Student Mobility of Luiss Guido Carli) by the application deadline.

Most Erasmus students live in private apartments with Italian or international roommates in the neighborhoods near the University. The average cost is between €350-400 for a place in a double room and €450- 600 for a single room per month plus utilities (telephone, electricity, heating, gas). Ask your coordinator for a copy of the accommodation documents. Please read the booking conditions carefully, follow the instructions and complete the application form.

Students that wish to take care of housing themselves are advised to come to Rome well in advance before classes begin.

Electricity

Electric current in Italy is 220 volts. You might need an adaptor and/or a converter.

Entertainment

Cinema tickets cost about €8-10 (with a reduced price of about €5 for students). Movies in English are also often shown.

Theatre and concerts: tickets generally vary between € 15 and € 40. Many associations give reductions to students.

Embassies and Consulates

Most embassies are located in Rome. There are consulates in the smaller cities. Check your Ministry of Foreign Affairs for their diplomatic missions in Italy.

Post offices

Post offices (Poste Italiane, www.poste.it) are open Monday to Friday from 8:30 am to 13:30 pm and Saturday from 8:30 am to noon. Some offices in the center have longer opening hours; closing time is between 6 pm and 7 pm. Stamps can also be bought at the *tabacchi*.

Phone services

You can buy a SIM card for about €10 with several companies (Tim, WINDTRE, Voda-fone, Iliad) and choose a calling plan for the duration of your stay. Monthly rates range from €10 to €20.

Climate and clothing

Italy extends 1,200 km from North to South, so the climate varies considerably, with winter temperatures of -5°C (23°F) and below in the North, and summer temperatures of 40°C (105°F) in the South. Rome, located at the center of the peninsula, has a mild climate, with temperatures rarely reaching the extremes indicated above. Consequently, light or medium-weight clothing is recommended. It is advisable, however, to bring a raincoat, and an overcoat or heavy jacket for the winter, which can get cold.

Tourism

The city of Rome offers a wide range of interesting possibilities, thanks to its unique richness of history, culture and art. Visitors will have the amazing opportunity to travel through history while walking on its streets: daily life doesn’t just offer superb views of the Coliseum, Fontana di Trevi, the Roman Forum, Piazza di Spagna or the Pantheon, but also hides ancient secrets and modern charms in the narrow streets of the city center.

For information, the best places to make inquiries are the Tourist Information Offices located all over the center and in the main transport terminals.

Information about Rome

A good and reliable source of information on streets, monuments, museums, places of entertainment, cultural events, commercial activity and shopping is the official website of the City and its social networks:
