

# PROVISIONAL LIST OF COURSES IN ENGLISH

## A. Y. 2017-2018

This list has been compiled for exchange students' use. Incoming exchange students will be given access to courses from any department, both at bachelor and master level, provided that they have the necessary prerequisites and do not have time-table clashes.

Please note that information is provisional and subject to modification. For the latest information we suggest to regularly check the departments website. The name of the professors will be published around
